- **Identity Crisis:** People often get confused about who they see in the mirror every day. We really don't know who we are. It is vital to understand who we are created to be and how we are called to live in Christ.
- **Disciple Making among the Lost:** God has called all believers to go make disciples of all nations. This topic covers what it means to be a true disciple of Jesus Christ and then challenges God's people to go make disciples wherever they go, especially among those who don't know Christ. There are lost people in our own homes, schools, workplace, and city.
- **Evangelism and Follow Up:** One of the biggest fears for people is public speaking. One of the biggest fears for Christians is evangelism. This topic will address the fears of evangelism as well as present basic principles about how to evangelize and follow up. The principles will equip Christians to boldly share Christ and also begin to establish new believers in Christ. All believers are compelled to love as Christ and called to be a witness of Christ.
